Like many films it's been hit with delays, but it's finally arriving in some U.S. movie theaters this Thursday before getting a nation-wide release a day later. Tickets went on presale earlier this month and broke records in the process. Movie theater websites broke as soon as the tickets went on sale and Spider-Man: No Way Home broke presale records, overtaking Star Wars: The Rise of Skywalker in Poland and No Time to Die in Portugal. It also broke records in Spain, Brazil, Central America and the U.K. according to Deadline. If all of this interest means you missed out on getting a seat to watch your ideal screening, here are alternative ways you can catch Spider-Man: No Way Home.

If you don't manage to get out and see the film in a movie theater, you're facing an unfortunately long wait to see it in your homes.

While some Marvel movies have been released on the streaming service Disney+ either alongside a cinematic release or a couple of months afterwards, it's currently unclear when Spider-Man: No Way Home will become available online.

Like the previous Spider-Man movies starring Tom Holland, despite being part of the Marvel Cinematic Universe, they won't be available to watch on Disney+. That's because Sony retained the distribution rights to the franchise and they currently have a deal with Starz who have the first-pay-window rights to stream the movie for the first 18 months after release. Netflix bought the previous Spider-Man movies to air on their streaming platform.

The film is set after Avengers: Endgame and follows Peter Parker/Spider-Man (Tom Holland) to return to everyday life. However, he soon realizes that ordinary life is no longer possible when mysterious creatures appear in New York City. With the help of Nick Fury (Samuel L. Jackson) and Mysterio (Jake Gyllenhaal), Peter takes on the role of Spider-Man once again to save New York
